# Airwagon Cargo Movers Limited

Great voyages start with us..

# About Us

- Airwagon Cargo Movers Ltd is a Kenyan company established in 2007, that is a leader in clearing and forwarding. Our offices and warehouse facilities are located in close proximities of Kenya's biggest airport (Jomo Kenyatta International Airport), the standard gauge railway terminus and the Mombasa port giving us unprecedented leverage in speed of delivery across channels.
- We are a legal entity registered with KRA and accredited by KIFWA. Airwagon Cargo Movers Ltd team of professionals in various departments brings to every project experience, skills and most importantly teamwork. Our team code is 'customers first'.
- Airwagon Cargo Movers Ltd provides you with a one stop shop for your Clearing and Forwarding, Warehousing, Removals and Relocation, Air freight, Sea freight solutions and consultancy on specific logistics needs. Furthermore, we are certified members of CLC Projects and elite member of WWPC Network, both which are international network bodies in global logistics. Because of these memberships Airwagon is able to handle any Cargo shipping needs to over 170 countries.
- We are the gateway to Eastern Africa countries, Kenya, Uganda, Tanzania, Rwanda, S.Sudan, Ethiopia, Burundi, Malawi, Mozambique and Zambia and from Eastern Africa to the world.

# Our Vision

- Small enough to retain quality and professionalism
- Large enough to provide global scope.
- 10 years of experience with unmatched track record working across sector to deliver results

# Our services

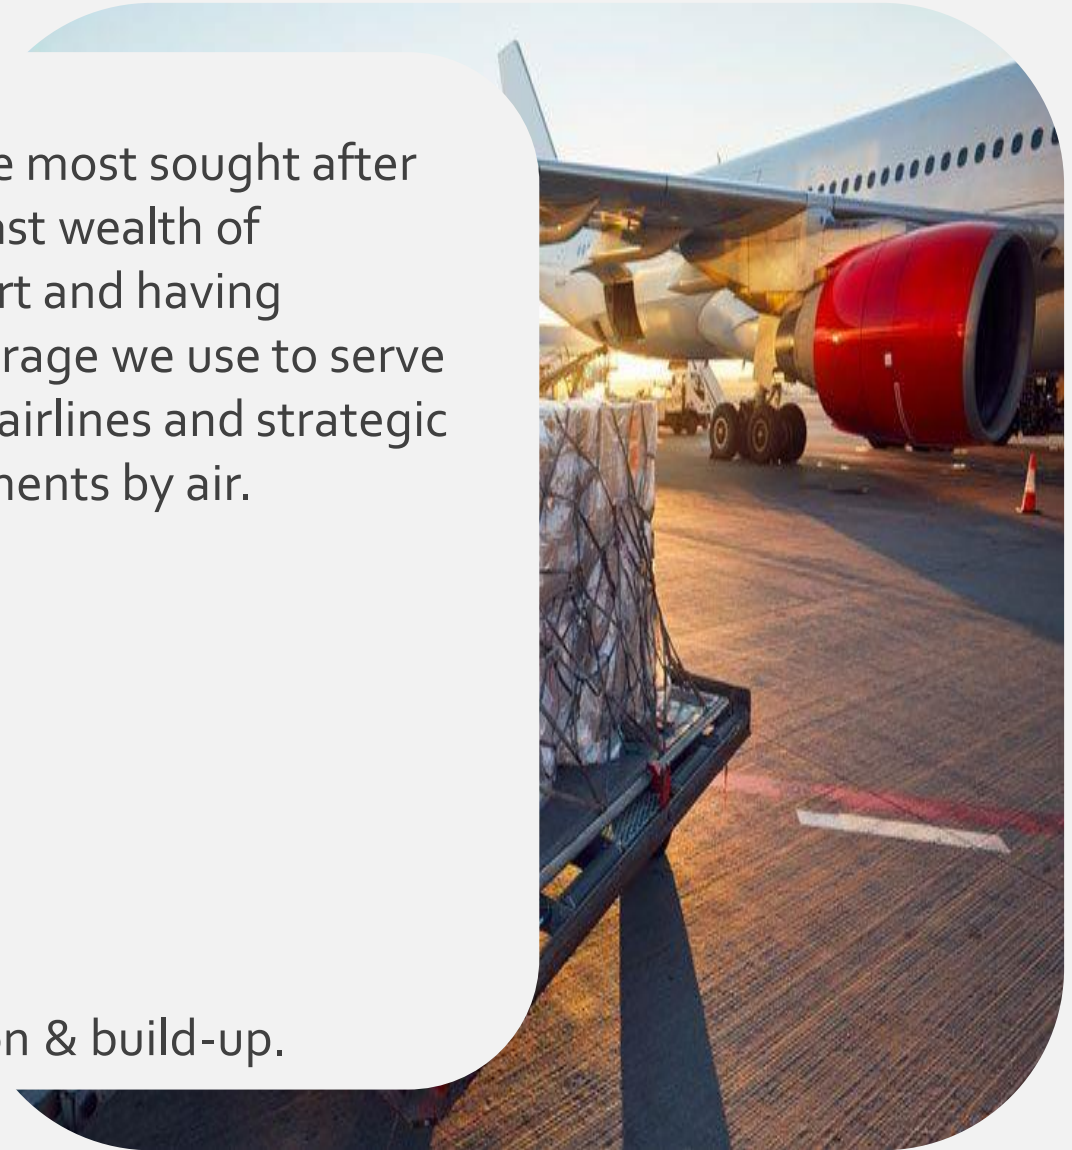

# Airfreight

Air wagon Cargo Movers Ltd air freight forwarding services are most sought after due to our swift execution and punctuality. In airfreight we boast wealth of experience and pool of talent. Our close proximity to the airport and having warehousing facilities inside the airport cargo division is a leverage we use to serve our customers with speed. A 10 year experience working with airlines and strategic partners give us flexibility and reliability. We never delay shipments by air.

Benefits of Air shipping with Airwagon:

- Export and import air freight consolidations
- Special air freight rates for bulk movements
- Association with all major Airlines.
- Attractive rates for chartered services.
- Dozens of gateways within our networks for cargo collection & build-up.
- Flexible and dependable routing options.
- Increased security during transit.

# Sea freight

Peak seasons and contract restrictions leave you unable to undertake the planning so critical to your business. This where we come in with our sufficient experience in the sea freight. We are best placed to walk the necessary business steps in order to deliver your shipment to and from any part of the world in an efficient manner. We ensure cargo handling efficiency by advising on appropriate vessels and related formalities. We offer both FCL (Full-container load) and LCL (Less-than-container load) service with a wide choice of ocean carriers, giving you both flexibility and dependability.

## **The salient features of our sea freight forwarding services includes:**

- Sea Freight export / import consolidation.
- Reduced prices while ensuring available space during peak season.
- Access to the on-board infrastructure essential to handling refrigerated cargo, and or any other special cargo needs.
- Forwarding experts who to ensure compliance with regulations.

# Warehouse services

- **Location:** Pili Trade Centre along Mombasa road, few kilometers from the Jomo Kenyatta International Airport (JKIA)
- **Capacity:** 7,200 square feet.
- Our facilities include storage of cargo in general warehouses and provide excellent solutions in 3rd party logistics (3PL). We are fully equipped with all relevant warehousing equipment.
- **We offer the following to our customers:**
  - Secure storage (CCTV, intrusion alarms, access policy management)
  - Value added services (repacking, co-packing, labeling, kitting) order preparation (pallet picking, fine picking, pick and pack)
  - Modern racking and handling equipment.
  - Specialized warehousing management systems
  - Quality Health and Safety Environment Management (QHSE)

# Removals and Relocations

- Airwagon Cargo Movers Limited is a specialized relocation and logistics solutions provider with the aptitude to consistently deliver solutions of the highest quality while setting the pace for removal of both commercial and household relocations in the Eastern Africa region. We offer our services to both local and international clients.

## **Our wide range of services includes:**

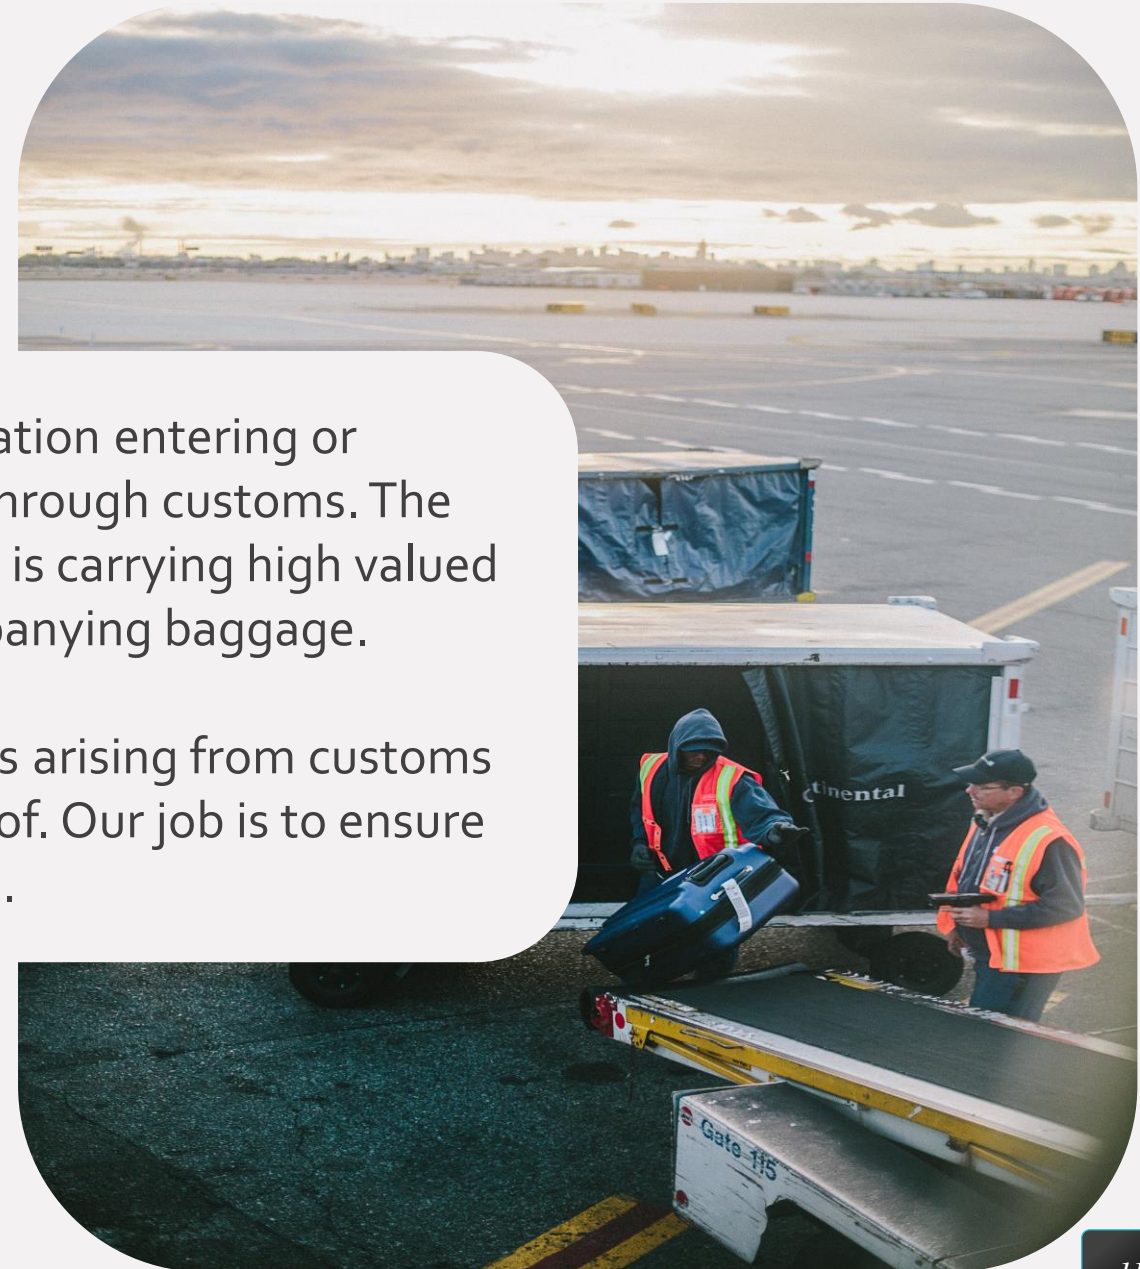

- Office Moving
- Residential / Domestic removals
- Storage and Warehousing
- Pet Handling and Relocation.
- Machinery Relocation.
- Corporate Relocations
- International Relocations.
- Gift Handling Services.

# Baggage import and export services

- As a business person, tourist or someone on trade delegation entering or transiting through Kenya, its a requirement that you pass through customs. The goal of customs department is to ensure that no passenger is carrying high valued dutiable goods more than the permissible value on accompanying baggage.

This is a strenuous process that involves lots of complexities arising from customs rules and regulations, usually that you might not be aware of. Our job is to ensure that your baggage import and export clearance is seamless.

# INTERNATIONAL COURIER

- Airwagon Cargo Movers Ltd provides a door to door delivery solution for small parcels and packages for customers, who want to simplify logistic management, reduce costs and minimize the risk of loss or product damage. By leveraging the breadth and reliability of our global network, we can remove days from your supply chain, delivering goods from overseas directly to your customers' location.
- Based on your customized requirements, your packages can be directly delivered to the customer in the destination country after following arrival and customs clearance procedures.

# Celebrating some Happy Clients

**“Welcome to a world  
of global logistics  
powered by  
Airwagon”**
